### MOTION TO RECONSIDER.

Mr. ANDREWS moved a reconsideration of the vote rejecting a bill concerning a new road in Lewis and Fleming counties: the reconsideration was ordered, and the bill placed in the orders of the day.

### A MESSAGE FROM THE H. R.

Was received, announcing the passage of several bills.

### HOUSE OF REFUGE.

A bill to make further appropriations of money for the Geological Survey, being the unfinished report of the committee on Geological Survey was taken up and the 3d reading was dispensed with.

The bill was then postponed until to-morrow at 11 o'clock, and ordered to be printed.

Mr. WALTON—Geological Survey—a bill for the benefit of Susan Jane Vance of Hart county: passed.

Mr. RUST—same committee—a H. R. bill for the benefit of William Corum, Clerk of Greenup County and Circuit Court: rejected, a general bill having passed embracing his case.

Same—a bill to repeal the law paying protection Judges, and to increase the salaries of Circuit Judges and Chancellors (increases salaries to \$2,000).

Mr. GROVER offered an amendment, making the stockholders liable for all the debts of the institution.

Mr. JOHNSON replied to Mr. GROVER, and opposed the amendment offered by him.

Mr. RUST addressed the Senate; he had offered just such an amendment to the bank bills at the last session as that offered by the Senator from Union, (Mr. GROVER), and that gentleman was very zealous on this question. He was rejoiced that they had come to the "knowledge of the truth."

From their speeches this session he would suppose they were the only guardians of "true Democracy" in the Senate, if so, and they were the keepers of the seal he wished them to produce it, but he was born and bred a pure "old Virginia Democrat." He was happy now to have the company of those gentlemen in support of this amendment.

Mr. ALEXANDER opposed the bill briefly.

Mr. PAUL addressed the Senate in explanation of his views in relation to banks; he was opposed to banks of issue, but was in favor of deposit banks if properly guarded.

The bill and amendment were ordered to be printed and made the special order for 10 o'clock on Friday.

Mr. MARSHALL—Banks—a bill to charter the Guthrie Insurance and Trust Company, with an amendment.

Mr. GROVER offered an amendment to the amendment. [That there shall not more be invested in bills and notes than the capital paid in and profits undistributed.] adopted. The amendment of the committee was then adopted, as amended, and the bill passed.

Mr. MARSHALL—Banks—a H. R. bill to charter the Henry County Deposit Bank; with amendment, [making the stockholders liable to the amount equal to their stock.]

Mr. ALEXANDER offered an amendment to the amendment, retaining the right to repeal the charter.

Before action on the bill and amendments, the hour arrived for the

### ORDERS OF THE DAY.

Mr. ANTHONY moved to reconsider the vote "in which the substitute of Mr. PAUL to the bill to repeal the laws prohibiting the importation of slaves as merchandise" was rejected: the reconsideration was ordered by yeas, 20; nays, 16.

The Senate then resumed the consideration of the bill—Mr. PAUL's substitute having been reconsidered; the pending question was then "shall the substitute of Mr. PAUL be adopted?" The substitute was then withdrawn.

Mr. CISELL then offered the same substitute offered yesterday by Mr. HAYCRAFT.

Mr. READ opposed the substitute briefly.

Mr. DELAHAY in a few brief remarks advocated the substitute, and opposed the bill.

Mr. RUST opposed the substitute briefly.

Mr. CISELL replied briefly to Mr. JOHNSON and advocated the substitute, and again opposed the original bill in a few pertinent and forcible remarks.

Mr. DELAHAY replied to Mr. CISELL and opposed Mr. DELAHAY's substitute in a few remarks.

Mr. WALTON made a few remarks explanatory of his action in the adoption of the Revised Statutes, in reply to Mr. CISELL's allusion to his vote on that question. He was in favor of the repeal of this portion of the Revised Statutes, unconditionally.

The vote was then taken upon Mr. CISELL's substitute, and it was decided in the negative by the following vote:

Yeas—Mr. Speaker, (Porter,) Alexander, Andrews, Bruner, Cissell, DeHaven, Denny, Fisk, Glenn, Haycraft, Lyons, Marshall, McKee, Pennebaker, Taylor, Whitaker—16.

Nays—Messrs. Anthony, Chambers, Darnaby, Davidson, Gibson, Gillies, Glenn, Grover, Grundy, Irvin, Jenkins, Johnson, McBrayer, Prall, Read, Rhea, Rust, Walker, Walton—19.

Mr. PAUL then offered a substitute for the bill being a repeal of the portions of the Revised Statutes in relation to importation of slaves, and substituting a provision that before any person shall sell a slave imported, he shall file bond and security in the clerk's office, and no affidavit that the slave is not charged with or convicted of crime, is not dissolved, &c., under penalty in the bond of \$300 recoverable by person injured.

The previous question was ordered.

The vote was taken on the adoption of the substitute, and it was decided in the affirmative by yeas, 21; nays, 14.

The bill was then ordered to a third reading by the following vote:

Yeas—Messrs. Anthony, Boles, Cissell, Darnaby, Davidson, Gibson, Gillies, Glenn, Grover, Grundy, Irvin, Jenkins, Johnson, McBrayer, Prall, Read, Rhea, Rust, Walker, Walton, Whitaker—21.

Mr. WALKER moved that the Senate insist on its amendment: carried, and the Senate insisted on its amendment.

#### MOTION TO SUSPEND—GEOLOGICAL SURVEY.

Mr. ALEXANDER moved a suspension of the rules to enable him to offer a resolution: carried.

Mr. ALEXANDER then offered a resolution calling on the Auditor for information in relation to the cost of the Geological Survey, the cost of printing the reports, and all other cost of the survey to this date: adopted.

Mr. RUST asked leave to change his vote on the passage of the bill repealing the laws prohibiting the importation of slaves.

Mr. CISELL objected, and as it required unanimous consent Mr. R. did not change his vote.

#### ORDERS OF THE DAY—RESUMED.

A bill to provide for a Conventional rate of interest was taken up.

The bill is as follows, viz:

§ 1. Be it enacted by the General Assembly of the Commonwealth of Kentucky, That the parties to any bond, bill, promissory note, or other instrument of writing, for the payment of money, or for the performance of any duty, shall be bound by the rate of interest receivable upon the amount of such bond, bill, note, or other instrument, at any rate not exceeding ten per centum per annum: *Provided, however,* that no incorporated banking institution of this State shall be entitled to receive more than the rate of interest specified in its charter; or, if no rate be specified, more than six per centum yearly upon any loan or discount whatever.

§ 2. That upon all judgments or decrees rendered upon any bond, bill, promissory note, or other instrument aforesaid, interest shall be computed at the rate specified in such bond, bill, note, or other instrument, not exceeding ten per centum as aforesaid; or, in case no rate of interest is specified, at six per centum yearly.

Mr. CISELL had offered the following amendment, viz:

1. *Provided further,* That all contracts and assurances, made directly or indirectly, for the loan or forbearance of money or other thing, at a greater rate of interest than ten per centum per annum, shall be void for the whole interest contracted for; and if such interest shall have been paid, the same may be recovered of the party so contracting to receive the same by any "person" who may sue therefor in any court having jurisdiction.

Mr. RUST offered an amendment to the amendment, providing that this act shall only apply to contracts for sums of \$100 and over: rejected.

Mr. RUST offered an amendment to the amendment providing in substance that outstanding debts now owing shall not be included in contracts made under this act; if such debt is included, the creditor shall go back upon his original contract for recovery, &c.: rejected by yeas 9; nays, 23.

Mr. GROVER offered an amendment to the amendment making this act void for only the excess of interest over ten per cent., but afterwards withdrew it.

Mr. WHITAKER moved to strike out "person" in the amendment in *italic* and insert "party contractor or his personal representative": adopted.

Mr. DENNY moved to strike out ten per cent. as the rate of interest and insert eight per cent.

Mr. MARSHALL in a short speech advocated the bill, and opposed the amendment of Mr. DENNY. He considered this a test question, and therefore made the remarks he had to submit to the Senate at this stage of the proceedings.

He urged the passage of the bill earnestly, as a measure demanded by the best interests of the State; it was no usury measure; it only legalized what is already paid for money.

Mr. MARSHALL's remarks were listened to with profound attention, and, though brief, were to the point, and clearly proved the propriety of the passage of the bill, if not its absolute necessity. The bill as amended forfeits the whole interest if more is taken than the ten per cent. fixed in the bill, while the present law only forfeits the excess over six per cent.

Mr. WALTON opposed the bill; he was opposed to any increase of the rate of interest; he had rather see it lowered to four per cent.

The vote was taken first upon striking out 10 per cent., and it was rejected—yeas, 13; nays, 17; and the Senate refused to strike out 10 per cent.

Mr. CHAMBERS offered an amendment to the amendment, forfeiting all the interest above six per cent. if more than ten per cent. is taken.

The previous question was moved by Mr. GROVER and ordered—yeas, 18; nays, 15.

The vote was then taken on Mr. CHAMBERS' amendment, and it was rejected—yeas, 11; nays, 30.

Mr. CISELL's amendment as amended was then adopted—yeas, 26; nays, 6.

Mr. FISK offered the following amendment as an engrossed rider, viz:

§ 3. This bill shall not take effect until one year after its passage, which was adopted.

Mr. DELAHAY also offered an additional section as an engrossed rider, that a person having a claim against a dead man's estate shall make oath that no higher rate of interest is charged than the face of the contract states, and that that rate does not exceed 10 per cent.: rejected—yeas, 13; nays, 31.

The bill was ordered to a third reading; the third reading was dispensed with.

Mr. JENKINS then addressed the Senate in opposition to the bill at some length.

The vote was then taken upon the passage of the bill, and it was decided in the affirmative by the following vote:

Yeas—Mr. Speaker, (Porter,) Messrs. Andrews, Chambers, Darnaby, Denny, Fisk, Glenn, Grover, Johnson, Lyons, Marshall, McKee, Pennebaker, Taylor, Whitaker—16.

Nays—Messrs. Anthony, Boles, Cissell, Darnaby, Davidson, Gibson, Gillies, Glenn, Grover, Grundy, Irvin, Jenkins, Johnson, McBrayer, Prall, Read, Rhea, Rust, Walker, Walton—19.

Brayer, McKee, Pennebaker, Rust, Taylor, Whitaker—19.

Nays—Messrs. Alexander, Anthony, Boles, Bruner, Cissell, DeHaven, Gillies, Grundy, Haycraft, Jenkins, Prall, Rhea, Walker, Walton—14.

Mr. IRVIN did not vote, having parted off with Mr. BOROBY who was absent on a committee.

Mr. WHITAKER moved to reconsider the vote passing the bill.

Mr. PENNEBAKER moved to lay that motion on the table.

Mr. ALEXANDER moved an adjournment—*lost*—yeas, 8; nays, 24.

The vote was taken on laying the motion to reconsider on the table, and it was decided in the affirmative—yeas, 19; nays, 8.

And then the Senate adjourned.

## HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of mere assertion or blustering puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold in the preparation of medicinal properties of the most prominent, and the sanction of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent for the tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomachic derangements and general debility; seeing under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their care is so harassing that many of them sink under the relation of husband and mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhoea, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, South America, and Germany.

For sale by all Druggists in FRANKFORT, Kentucky, December 9, 1859-19.

## SECOND VOLUME OF THE KENTUCKY FARMER.

Only One Dollar Per Annum!!

NOW IS THE TIME TO SUBSCRIBE!!!

The First Volume of the Kentucky Farmer closed with the June number, and the second Volume will commence in July. We promised a year ago to try and give to the Agriculturists and Stock Raisers of Kentucky a paper worthy of their patronage. We put the question now to every one of its patrons: Have we redeemed that pledge? Have we given you a fair equivalent for THE DOLLAR which was paid for the Kentucky Farmer? If so, let every one of our present subscribers renew their own subscriptions, and try and send us one or more additional names for the SECOND VOLUME.

The receipts for the First Volume have about paid the expenses of its publication. We promised our patrons that we would publish one Volume whether we obtained a sufficient amount to pay its expenses or not. The publication of the June number has redeemed that pledge. Shall we have the kind and continued support of its present patrons, together with their aid in extending its circulation? If so, we promise to do everything in our power to make the paper worthy of a generous Kentucky public.

The "Kentucky Farmer" will still be published monthly, in its present form of sixteen large quarto pages, for ONE DOLLAR per annum, payable invariably in advance. As the small amount charged for the paper will not justify the trouble and expense of collecting subscriptions, no paper will be forwarded unless paid for in advance.

Subscriptions can be forwarded to us by mail, a our risk. Letters addressed to us need not be REGISTERED. Simply address:

## HEALTH RESTORED!

DR. MOTT'S

Chalybeate Pills.

An aperient and stomachic preparation of IRON purified of Oxygen and Carbon by combination in Hydrogen, of high medicinal authority and extraordinary efficacy in each of the following complaints, viz.:

DEBILITY, NERVOUS AFFECTIONS, EMACIATION, DYSPPEPSIA, DIARRHÆA, CONSTIPATION, SCORFUTA, SALT RHEUM, SCURVY, JAUNDICE, LIVER COMPLAINTS, RHEUMATISM, MERCURIAL CONSEQUENCES, INTERMITTENT FEVERS, NEURALGIA, CHRONIC HEADACHES, FEMALE WEAKNESS, MISCONCEPTION, WHITES, CHLOROSIS, etc.

EMPIRES ON THE FACE, ROUGHNESS OF THE SKIN, etc.

The IRON being absorbed by the blood, and thus circulating through the whole system, no part of the body can escape their truly wonderful influence.

The experience of thousands daily proves that no preparation of Iron can for a moment be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in almost every case of debility, and in all cases of female debility (dysmenstruation, chlorosis, etc.), its effects are delightfully renovating. No remedy has ever been discovered, in the whole history of medicine, which exerts such prompt, happy, and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, and unusual disposition for active and cheerful exercise, immediately follow its use. As a grand stomachic and general restorative it has no superior and no substitute.

Put up in neat flat metal boxes containing 50 pills, 50 cents per box, and 50 boxes \$25; one dozen boxes \$3.00. For sale by Druggists generally. Will be sent free to any address on receipt of the price. All letters, orders, &c., should be addressed to:
